About the Course

Queenstown Harbor, one of the foremost golf experiences just outside Washington, D.C., features 36 holes of championship golf on two unique layouts, amid spectacular Chesapeake Bay waterfront beauty and contemporary style, combine for an unforgettable round at Maryland's premier golf destination. Superior service, including our premium forecaddies, makes Queenstown Harbor the perfect play.

Experience two stunning 18-hole tracks. The renowned River course is a challenging, rewarding design, while the beautiful Lakes course is at the same time fun and forgiving. From Chesapeake Bay views to the exclusive use of forecaddies and limited tee times, The River will draw you in with its natural splendor and design. But with water on 14 of 18 holes, there is much more to The River than the Bay's beauty. The Lakes course challenges every aspect of a golfer's game, from the accuracy needed to tame the peninsular green on Number 6 to the spectacular finishing hole, a bunker-laden par-4 dogleg right that will test the mettle of those who think they can carry the sand.

If you would like to take a virtual tour of the course, visit the Queenstown Harbor website at www.mdgolf.com.
