

With these hands, I wanted to provide the care to my patients that I would give to my own family. With these hands, I wanted to transform lives...Not just theirs, but my own. That's why I chose to become part of the Providence Hospital Team!

LPNs (Licensed Practical Nurses)

Providence Hospital in Washington, DC is a symbol of commitment to: healthcare that works...healthcare that is safe...healthcare that leaves no one behind. Here you will find healthcare professionals who chose us because they can deliver their best care with confidence. If your goals are aligned with ours, your place is at Providence.

Qualified applicants will be responsible for assisting with overall Acute Care for the Elderly under the supervision of the Nurse Director and implementing the standards of quality of care for an ACE unit. Current LPN licensure in DC required. ICU, Acute or Subacute or ER experience preferred.
