

Child Safety Seat Inspection Station and Installation

NEW! Child Safety Seat Inspection Station and Installation Service now available at

**PROVIDENCE HOSPITAL
EMERGENCY ROOM EXIT
1150 VARNUM ST., NE
WASHINGTON, DC 20017**

PROVIDENCE HOSPITAL has partnered with the DC Fire and EMS Department and the District Department of Transportation to bring a permanent child safety seat inspection and installation station to the Brookland Catholic University neighborhood. We are currently the only hospital in the District to offer this service on site.

Motor vehicle crashes are the leading cause of death among children ages 2 to 14, mainly due to the nonuse or improper use of child seats and seat belts.¹

¹ Safe Child: The District Department of Transportation Child Safety Belt Program Brochure. pg 2.
